Seputih Cinta Melati

Sinopsis film *Seputih Cinta Melati* dari <http://alenia-pictures.com/kawan.html>

Hari itu, Melati dan kakaknya Rian pergi memancing di sungai. Sayangnya, kecelakaan terjadi. Melati terperosok dan kakaknya terjepit kayu.

Saat Rian lagi kesulitan menolong adiknya, tiba-tiba datang dua orang laki-laki yang mencoba menolong Melati. Mereka adalah Ivan dan Erik, penjahat yang menjadi buronan polisi karena berhasil kabur dari penjara. Kedua buronan itu pun berhasil membantu Melati tapi enggak mau jujur soal siapa mereka sebenarnya.

Keduanya mengaku sebagai Pak Haji yang sedang melakukan perjalanan. Dengan kepolosannya, Rian dan Melati pun percaya sama perkataan Ivan dan Erik.

Sayangnya, karena sedang masa Pemilu, poster buronan Ivan dan Erik bertuliskan 'DICARI' yang ditempelkan oleh polisi di dinding-dinding kampung Melati dan Rian pun tertutup oleh poster para caleg (calon legislatif). Hal ini membuat Melati dan Rian jadi berpikir kalau kedua pria itu adalah caleg juga. Mereka pun membawa poster itu pulang lalu diberikan pada sang ibu, Andiri. Mereka pun meminta ibunya agar memilih Erik dan Rian saat Pemilu nanti, setelah menceritakan kisah pertemuan mereka dengan Ivan dan Erik.

Keesokan harinya, Melati dan Rian pergi menemui Ivan dan Erik yang tinggal di sebuah gubuk kosong dekat sungai. Mereka membawakan makanan dan minuman berbuka puasa untuk Ivan dan Erik. Semenjak hari itu mereka menjadi semakin dekat, Ivan dan Erik merasa mendapatkan keluarga baru.
